President-Jim Jackson
Vice President- Shirley Putman (absent)
Secretary-Lea Dickson
Treasurer-Robyn Estey
Board Members:
Bill deLorraine
Michele Lallier (absent)
Ralph Undercoffler
Alex Carpenter
Past President- Barbara Kane (absent)

The meeting was called to order at 6:55PM

President Jim Jackson welcomed the membership and indicated that the meeting would be short and sweet. He announced the 2015 Grand Marshal of the Boat Parade would be Dick and Mary Jane Jones (at a later date they declined)

The following summer activities were announced:

Charlie Ferguson Fishing Derby, July 3&4.
Boat Parade, July 4th, 12:30 Lineup at Indian Head
Concert and Hope Float, Turner's Dock, 6:30
My Sylvia Lake Photo Contest. Accepting photos through 8/15. Voting online through 8/31
Boating Safety Course: Available online. Ralph Undercoffler will instruct if minimum of 10 signup

The 911 signage project was introduced. Jim indicated that the project is in the 1st phase. Bill deLorraine is assisting and the project will begin with East Shore Road, the Indian Head Trails and Pump House Rd. More info to follow once the project gets started. The signs are 6"x 9" reflective green with vinyl peel letters. The cost is \$298.00 for 50 blanks and reflective letters.

Jim opened up the floor for comments.

Dave Syrek inquired whether the association board had taken action to establish a scholarship for local Fowler students. Jim indicated that they were still exploring whether a scholarship was within the mission and scope of the association. No action was taken

Discussion regarding the recent caterpillar activity. Alex Carpenter reported that he called the DEC and Cornell Extension to find out if they were aware of an outbreak. Alex indicated that they were not

aware of any widespread infestation and perhaps ours is a localized event. We will continue to monitor. If any action needed, it must be taken in early spring 2016.

Joe Reilly inquired about the change in ice fishing regulations. He wondered why the results of the online survey were not taken into consideration for the decision. Gale Ferguson reported that he had personally written a letter to the DEC in support of the changes and they responded to him with information regarding the fish population. He expressed his frustration and reaction to the online survey. Gale mentioned concerns regarding safety, trash, plowing, camp security. No other comments from the floor.

Treasure balance as of 4/16/15 \$8626.03. 26 members paid their dues (\$650) and \$67.00 from the 50/50 raffle. Linda Scott won the 50/50 raffle.

Many thanks to Missy Jones who made the arrangements with the country club. Also thanks to Missy and Dede who assisted Robyn with the raffle and at the dues table.

Also thanks to Jane and George Dodds who assisted me with the final attendance count.

Respectively Submitted,
Lea Dickson
Secretary
