The meeting was called to order at 6:11 7PM  
Members were welcomed by President Bill deLorraine.

**Approval of minutes:** August 12, 2016. The minutes were approved and are ready for Shari to post on the website.

#### **Treasurer's Report:**

We had a \$432.80 net at the close of 2016. 111 property owners are members. Balance as of 5/17/17 is \$8938.

#### **Sanitation & Water Testing Committee:**

Cindy Shaw picked up the water bottles at the lab. Bill deLorraine reported that the 1st water test will be completed in mid-July. Jon Jackson volunteered to assist Bill deLorraine. Complete results will be available on [www.sylvialake.org](http://www.sylvialake.org) for yearly comparisons.

Via email, Alex Carpenter has been in touch with the DEC and the Cooperative Extension regarding the Eastern Caterpillars and their impact on our area. Alex reported on several options before taking steps to aerial spray. The DEC suggested an egg count survey this fall. The estimate for a survey is \$3000. Another consultant suggested no survey. The trees can withstand partial defoliation for 2-3 years. The good news is that with the cold and wet spring the caterpillars may experience a natural die off. The cost of spraying is approximately \$10,000.

#### **Fish & Game**

According to the DEC website, 3000 6-9" trout were stocked. Bill deLorraine reported very little Ice Fishing. Ice too iffy. Date for the Charlie Ferguson Fishing Derby is July 2&3. Contact Gale Ferguson

#### **Navigation**

Alec Carpenter reported that maintaining and moving the benthic barrier mats is very difficult work. Cold, dark and dangerous. The tentative flip tentative date is Saturday, July 22, 1PM. Alex will post confirmation on Facebook 1 week prior.

The buoys will be in place by June 17-18. . Thanks to Sandy Kraker
